<input type="checkbox"/>		
<input type="checkbox"/>		
<input type="checkbox"/>		

*PENDING – If enough preregister, she'll order some to have on hand that day or a prescription will be given.

Over

A NOTE FROM DR. RANDALL:

I will not have tags for any of the surrounding counties. Therefore, you will have to send in your rabies certificate to your own respective county for your rabies tag(s).

It is very important that you bring with you your prior vaccination record information or your reminder card from your veterinarian so I know specifically what your dog needs. I CANNOT administer a 3-year vaccine without knowledge that a 1-year vaccine has already been given!!

Also, please bring a fecal sample and/or urine sample with you if you are requesting lab work.

We do not have a billing system, so we would request payment (preferably by check or cash) to keep from having to pass on additional service fees to you due to using a credit card at the time of service. Since this is a fundraiser as well, we're trying to keep expenses for you down to a minimum.

You will get a printout of services done for each dog. I look forward to meeting you and your dog(s).

All breeds are welcome! Bring one, bring all...

Please download, complete and email back this form for each dog prior to your visit. Please email all forms to interlockingssc@hotmail.com or else drop the form(s) in the USPS and mail to:

ISSCM
9450 175th St.
Tinley Park, IL 60487

As soon as we receive your information, we will contact you via email regarding appointment times available.

Overall, this is a WIN-WIN opportunity... save money, keep up on the health of your dogs, meet with our highly-experienced veterinarian in the privacy of a home rather than in a high traffic vet's office, and help support our tiny club as well. (A \$5 per dog donation to Interlocking Shetland Sheepdog Club of Monee, Inc. will be added to each dog's bill.)

Questions? Call Barb @ 815.919.1638 or George @ 708.837.2222
